

#05 Craftmanship  
MADE IN PORTUGAL  
*naturally*

## BIZARRO

*Black ceramics*

It is Bizarro's to continue a tradition dating from the 17th century and to add a touch of modernity to black ceramics. This Portuguese brand is attempting to support a pottery industry that is on the verge of disappearing by giving the items it creates a more modern appeal.

Exclusivity, authenticity and sustainability are the values Bizarro holds dear and which are reflected in each item they create.

The signature black colour is achieved through an ancient method of baking clay that is unique in Europe, with the colour obtained without the addition of any pigments or chemicals. Each piece is entirely handmade.

## VICARA

*Design and traditional crafts*

More than a brand, Vicara is a product design editor.

With a mission to create unique and bold objects and to promote and preserve unique techniques that are in danger of being lost, Vicara is also intended to be a place where it is possible to accommodate projects, content and exhibitions linked to art and design.

Talent and creativity, combined with innovative production processes and unexpected materials, make Vicara a company with its own vision and a great ally of Portuguese culture and traditional arts.

## BUREL

*Pure virgin wool in construction*

Creativity, design, comfort, diversity and sustainability are the values with which the Burel brand identifies. Using traditional production techniques, Burel Factory has made a commitment to preserving knowledge, continuing to produce textiles on 19th-century machines to guarantee a product that is unique, different and high-quality.

This 100% wool fabric is incredibly resistant, insulated, easy to maintain and versatile, and so is perfect for use in interior decoration, Individual solutions for each space enable the brand to invest in certain areas, such as the home, fashion and architecture, giving it a unique personality, where the handmade, pure virgin wool, assumes a special prominence.
